

More Snow Is Coming!

Be Prepared. Plan Ahead. Stay Safe.

Greetings Neighbors,

In preparation for the impending snow storm today/tomorrow, the HOA is requesting that all vehicles be removed from the streets. It is critical that vehicles are not blocking the ability of the snowplows to clear snow and make our roads safe for everyone.

As a reminder, this is a service that we all pay for so your prompt attention and cooperation is appreciated.

Thank you!

The Fairway Pines Board of Directors
